

## Peacemaking and Reconciliation

## Equipping Ukrainians Seeking Peace

In May 2014, This Child Here began a new initiative: *Peacemaking*.

Peacemaking is work both deep and wide, global and personal, between nations and within the human heart. Our work ranges from care for individuals who suffered emotional trauma in the recent violence in Ukraine, to opportunities for reconciliation between those who oppose each other. But it will almost always be work with and between persons. The training our staff has received is Quaker based and developed from methodology of Alternatives to Violence. We began in Odessa but have goals also set for eastern Ukraine.
